

UC REGENT

**MONICA**

LOZANO

Lozano sits on the Board of Bank of America, which holds \$4.9 billion in student debt and is among the top five banks profiting from federal student loans. Additionally, Bank of America has foreclosed on tens of thousands of California homeowners. It's estimated CA has lost \$4 BILLION in property tax revenues due to the foreclosure crisis—money that could have gone to fund public education and essential services.

**DUDE WHERE'S MY  
ECONOMY?**
